## Clean Up Day in April

By Harold Wyckoff- Beautification Committee

We need your help on Saturday, April 14, 2007 (Rain Date Sunday, April 15, 2007) to clean up the light trash along the streets of our development before the summer season begins.

Please plan to participate from 10:00 AM-1:00 PM to make this West Brookwood Clean Up Day event a success.

- Work gloves and trash bags will be handed out at my residence.
- Lunch will be served afterward at Riverside Park.

**You must register for this event by calling 347-4452** (Harold Wyckoff, 7 Acorn Street) so I know the number of people helping before the day of the event. Thank you for your help in this matter.

## Graduating Seniors

By Elaine Carr

A \$500 Scholarship is waiting for you. Applications are in your school Guidance office or can be picked up at Elaine Carr's home (8 Broad Ave.) Completed Applications must be returned by April 1st.

## Give us a Brake!

The Speed Limit is 25 miles per hour.

1. The weather is getting nice. Our children are playing in the streets. Please drive carefully.
2. Please clean up after your dog "It's the law."

## "Please Don't Speed"

The weather is about to get nicer and the children in our neighborhood will be playing outside again. Please make an effort to be aware of your car speed on our streets. It is very easy to go over the speed limit and we would hate for a serious accident to occur. This is a chronic problem that doesn't seem to be getting any better. I know that we have said it before but it is too important not to say again, "please slow down and don't speed"!

## "Open Board Positions"

We currently have three open Board positions to fill. Elections are coming up soon and we are in need of people to get involved in order to carry on corporate business and plan activities, contests, community beautification, and discuss what is going on in town. The monthly meetings are very interesting and informative, so come to one of our meetings and see for yourself

The Board of Governors meets at 7:30PM on the 4th Wednesday of each month at the Byram Township Municipal Building in order to discuss what is going on in the community and to discuss water company business. No knowledge of the water business is needed for the water utility is operated under an Administrative system.

## " F. Y. I. "

We have received some complaints that some people are parking their work vehicles on their front lawns. It is not only ugly to look at, but violates a Township ordinance. If this is not corrected it will be reported to Chief Gutwerk. We don't want to see this happen so please take care of it yourself.

A good neighbor is a considerate one. Please don't allow your dogs to bark at all hours of the night and early morning, and remember to pick up your dog's waist when you walk him.
