offense under Chapter 245, General Provisions, and Byram Board of Health.

The Water Department would appreciate membership's help in this matter so that we can continue to provide safe, drinkable water service to our customers.

Let's Talk... The Event Survey results were received: 16 replied. The Board is addressing these results:

- Community Garage Sale
- Community Pool
- Visit from Santa
- Sidewalks
- Community Picnic
- Ice Cream Social
- Adult Halloween Party
- Spring Egg Hunt
- Community Garden
- Barks - adoption day

What is a Street Rep? It was an idea I had 9 yrs ago, we were in the process of securing the Infrastructure loan. The Board was having many meetings on a weekly basis. I soon realized that the Board

couldn't cover everything. So Street Reps were formed.

My vision was to have the Street Reps be the eyes and ears of the community. Not just be the one who calls you when the water needs to be turned off. Going forward I would like you to:

- Introduce yourself to the new family
- Bring them with you to a monthly meeting
- Remind them to read/review the BMRPOA Handbook; questions should be directed to you or a Board member
- A Board member will be assigned to each Street Rep. They will contact you on a monthly basis. Over the next few months your Board member would like to have a "Get Together" with you and your neighbors. Talk about concerns/suggestions in West Brookwood and Byram.

Again, I would like to emphasize your important role and thank you for all the work you have done in the past. I hope you have a clearer understand of your role and how important you are to WB. To the present Street Reps, if you want to remain the Rep you need to contact the office at (973) 347-1040.
