Clean Up Day in April

By Harold Wyckoff- Beautification Committee

We need your help on Saturday, April 19, 2008 (Rain Date Sunday, April 20, 2008) to clean up the light trash along the streets of our development before the summer season begins. Last year only seven people came out to help clean up our neighborhood. We need at least twelve people to make this event to be successful.

Please make time to participate from 9:00 AM-1:00 PM to make this West Brookwood Clean Up Day event a worthwhile project.

- Work gloves, trash bags, T-shirts, and hats will be handed out at my residence.
- Lunch will be served afterward at Riverside Park.

We need at least twelve people to participate for this event to take place so **please register by April 5th or it will be canceled.** Please contact Harold Wyckoff at 347-4452, or email: [hmcwyckoff@verizon.net.](mailto:hmcwyckoff@verizon.net)

**Slow Down
and
Don't Speed!**

The Speed Limit is 25 miles per hour.

Daylight Saving Time came early this year. Children in our neighborhood will be playing outside again. Many of your neighbors are putting signs out on the edge of their property in order to protect their children. This is a Family community. Please make an effort to be aware of your car speed on our streets. It is very easy to go over the speed limit and we would hate for a serious accident to occur. I know that we have said it before but it is too important not to say again, "*Please slow down and don't speed!*"!

?? GARAGE SALE ??

Do you want a Community Garage Sale this year? May 17th would be the date. We must have at least 25 homes participate. Let me know by April 26st (Elaine Carr 973-347-4461.)

"Street Reps for Water Company "

I would like to take this opportunity to thank three of our out going street reps for their many years of service. Ginny Citarella of Lockwood Ave., Dolores Bollinger of Robert Ct., and Tina Hening of Mayne Ave. have kindly volunteered their time to be street reps for the water company. We rely on the generosity of our volunteers to help out during emergencies by making needed phone calls, passing out flyers, and sometimes going door to door with important information for their fellow residents. Thank you for all you have done. We appreciate all of your efforts. Please look at the street rep portion of the newsletter to see the names and numbers of the newest street rep volunteers.

"Meeting Schedule"

- Spring; March 26th, April 23rd, May 28th
- Fall; Sept. 24th, Oct. 22nd, Nov. 26th

All meetings are open to the public and will be held on the fourth Wednesday of the month at Town Hall at 7:30 PM. We currently have four open Board positions so come out to see what our meetings are like. See if you would like to join in to make West Brookwood the best it can be. **GET INVOLVED!**

As pictured, after 27 years of faithful service, on February 21st, well #3 failed at the River Road Well Site. The Water Department called Samuel Stothoff Company, Inc who original drilled the 255-foot well and installed the well equipment back in 1981. During the two-day process, a new pump and motor were installed.
