

## Let's Talk...

On behalf of the Board of Governors and the community, we would like to commend Barbara DeMarco, Administrator of the Water Company, and John DeMarco, Field Technician for their foresight and quick response to protecting and keeping up with the running and maintaining of the Wells during Hurricane Irene and its aftermath. Also, e-mailing members the procedures on preparation for a hurricane. A few surrounding communities had not properly prepared and as a result, were without water as well as power.

### *Danielle Walker, 2009 Scholarship Winner*

To the Brookwood-Musconetcong Board:

Thank you so much for the Scholarship you gave me! In August, I will enter my junior year of college at Drew University. I am majoring in English, with a double minor in writing and psychology.

I am also the Secretary-Treasurer of Drew's Co-ed a cappella group and a Co-Editor-in Chief of the campus literary magazine. I've been on the Dean's List and a member of the Baldwin Honors Program each semester and this year I was inducted into Sigma Tau Delta, the International English Honors Society.

I love every second of my time at Drew, and your Scholarship helped make it possible for me to go. Thank you again!
