BMRPOA hope you and your family had a wonderful holiday season. We wish the community a safe, healthy and joyous New Year!

Water Department News:

○○○○○○

Meter and Reader Replacements:

Our Field Technician, John DeMarco will be visiting some of the homes throughout the year replacing meters and/or readers. He will be wearing a blue t-shirt labeled: BMRPOA. He will have a picture ID stating that he is providing services for the water system of BMRPOA, Inc. Kindly allow him to access the water department equipment on your premises. You may be in need of an actual water usage reading. Thank you for your cooperation.

NEW Banking Services:

Credit card payments have been a success! Remember to call the office to make a credit card payment.

In addition, online bill pay will be coming soon! Members with an email on file will be notified immediately. If you have not

been receiving messages by email please call the office or send in your payment stub with your updated information. Many times email messages have been returned as undeliverable so please check your spam folders and allow messages from: bmrpoa@gmail.com. Thank you.

Reminder, if you cannot pay your water bill in full by the 30th of the month then utilize the "Easy Pay Plan" to avoid late charges and terminations.

Here's how it works: **Pay 1/3 of your bill by the 25th of each month** thereby bringing your account to a zero balance on the 25th of the third month.

Scholarship Fund:

BMRPOA is pleased to contribute to the future collegiate success of its young residents. Due to two gracious donations we were able to provide one high school senior with a scholarship in the amount of \$500.00 last year. We would like to continue the scholarship program with your help. Please consider donating to this fund for the 2015 graduates. Any amount is appreciated. However, if all 400 members donated as little as \$1.25 we would reach our goal of \$500.00.

You may donate any amount you wish.
Please make your check payable to:

BMRPOA, Inc. Scholarship Fund

Just the facts...

Do you know where your water comes from???

The West Brookwood community has 3 wells. The wells pull groundwater from the Kittatinny Aquifer and the Gneiss Aquifer.

That and other interesting water department information can be found on our website. Check us out:

www.bmrpoa.homestead.com

Announcements:

Let us know if you have an announcement that you would like to appear in the newsletter. Announcements can include a birth, death, wedding, new business, special Thank You, question or comment. Just call or email the office and give us the details.

We have a new Newsletter Editor, Keri Weber of Ash Street. Thank you for taking on the newsletter. You will be a great addition to our community.
