*Please consider serving your community.
Thank you!*

UPCOMING ASSOCIATION EVENTS

Spring Clean-up

Meet us at the River Road Well (across from the park) on **Sunday, April 7th**, at **10:00am** for street assignments. We will supply gloves, trash pickers, and

garbage bags. Return at noon with your bags and enjoy refreshments.

If you're a student looking for service hours, we will sign your forms for community service hours.

ICE CREAM SOCIAL

Meet and Greet with friends and neighbors at the River Road Well (across from River Road Park) on **Sunday, June 23rd** from **6:30pm to 7:30pm**.

WATER DEPARTMENT NEWS

We currently have two new Field Technicians working for the Water Department. They are Christopher Basile and Richard Sodano. Please welcome them as the Water Department sends them to have work done in or around your home. They can be identified by presenting a photo tag with their name from BMRPOA, Inc. Thank you for your cooperation.

Lastly, our reader supplier, Mars Company, has ceased production of the existing reader that is attached to your home. This reader enables the water department to read your meter. We will be replacing all the current Mars readers throughout this year. There will be workers around your home installing our new Mueller readers. In some homes, these new readers will have to be hooked up directly to the meter located inside your home. If this is the case with your home, then you will receive a call from the water department asking for an appointment to access our equipment.

Please understand when an appointment is made, and you are not home or do not answer the door then a \$68 fee will be billed. So, kindly inform the water department if for any reason, you need to change your appointment.

Again, thank you for your cooperation.
